

## Nonprofit Staff Accountant

[NFP Partners](#) offers the benefits of experienced accounting professionals at a fraction of the in-house cost through our [outsourced nonprofit accounting services](#). These services range from total operation and management of the finance function to higher-level CFO support. In short, NFP Partners aims to impact the world, one accounting challenge at a time.

NFP Partners is growing and seeking a qualified nonprofit accounting professional to join our accounting services team, providing contract accounting and CFO services to nonprofit organizations. We need an experienced person who can become immediately productive working with clients, virtually, using remote access technology. This position can be part- or full-time. We expect the successful candidate to be able to work independently with various clients, performing day-to-day accounting tasks, such as the following:

- Accounts payable processing
- Payment processing
- Reviewing and recording cash deposits
- Invoicing accounts receivable
- Reviewing and recording credit card transactions
- Payroll and payroll tax processing

Qualifications include:

- Knowledge of accrual-based accounting as applied to nonprofit organizations
- Relevant experience, preferably in a nonprofit environment
- Flexibility and time-management skills to handle multiple client assignments
- Experience with a variety of accounting software packages, including, but not limited to, QuickBooks, Abila MIP Fund Accounting™, Intacct, Financial Edge NXT
- Strong technology base skills and MS Office

This is a rare opportunity for a nonprofit staff accountant who wants a flexible work schedule and environment and is ready to break away from the routine to build a solid career future.
